RE Kirkland Urban Building E pre-revisions. Please see below. I would appreciate a response *today*. Thank you.

- The City's comment letter asked for items for BUILDING. Planning, Public Works, and Fire said "Comments to Follow".
- CollinsWoeman uploaded pre-revisions in response to the Building Comments. Typically, we do not accept and route the pre-revs until all comments are responded to.
- I spoke with Angela/Planning; she said her comments would be raised at another time.
- John/Public Works listed a few comments on page nine of the plan set, and said that was adequate for now.
- On behalf of Jason Chappell, who is doing the review, Grace Stuart said to go ahead and accept the pre-revs.

Please respond if I understood your feedback correctly. The pre-revisions will be routed to each department.
